Pixelbook Go

The go-there,
do-that Chromebook.

Introducing **Pixelbook Go**, the newest member of the Pixelbook family. A more affordable, high-performance Chromebook.

Built to go anywhere

- Built with finely painted magnesium, so it's lightweight at barely 2 pounds* and 13mm thin

- Up to 12 hours of battery life* and get up to 2 hours of battery life in 20 minutes of charging*

- Vibrant 13.3" touchscreen display with FHD

- Comfortable and quiet backlit keyboard

*Weight may vary by configuration and manufacturing process

*Battery performance is based on a mix of standby, web browsing and other use. Actual results may vary.

*Charging time requires the battery to be at least 5% charged, the device to be inactive and use of included charger. Actual results may vary.
